- Wear warm, layered, comfortable clothing as the rink is always 16 degrees or colder
- Arrive by the party start time to avoid losing any birthday party ice skating time
- Please do not hire any Skate Aids until the party has completed their Start-Up Skate Lesson – Your Host will let you know if any children need a Skate Aid

- Skate Aids will need to be re-hired after the Party ends
- Birthday guests' parents and siblings who decide to stay and skate will receive a **10% discount** by mentioning they are attending the Birthday Child's party at our Reception Desk
