Parents of the birthday child skate for free! Max two free skates provided.

BOOKING INCLUSIONS

SKATING & HIRE

Skate and Helmet Hire is included. The kids will have approximately one fun-filled hour of skating during the party - but it gets better! After the two-hour party is over, they can continue skating in our Public Skating Session.

Note: Skate Aids are not included in our Birthday Bookings. They can be hired on the day subject available after the lesson. \$5 Zimmer Frame; \$8 Seal/Kangaroo

PARTY HOST

The party will be run by your very own party host, who will fit the kids for skates & helmets and give them a 15-minute Learn-to-Skate Lesson to help them find their ice-legs & gain confidence.

PARTY ROOM

Your party will get the run of a private room for the length of your two-hour party, so you'll have somewhere safe to store your things and somewhere warm to rest when you're taking a break from the rink.

FOOD & DRINKS

After everyone has carved up an appetite from skating, we will supply your party with tasty food that will keep both parents and kids happy!

Please advise any dietary requirements the guests have.

INVITATIONS

Yes, we provide invitations! Once we've confirmed the details of your upcoming party, we will email you printable invitations with all the information your guests need to know for a cool day at the Icehouse.
